

## Registration Update

In the very near future, the parish will be updating its records software and will be able to simplify and perform new tasks for ease of communication. This is a perfect time as well to update our existing records. As more and more people cancel their land lines and rely solely on cell phones, we would like to be able have everyone's cell numbers as well as email addresses. The update is intended for all individuals who are already registered at Holy Trinity Parish. After filling out the form, please return it to the office in one of 3 easy methods:

- (1) drop in collection basket on a weekend,
- (2) mail to the parish office,
- (3) email to Kristin at the office.

Thank you for your assistance in keeping our contact information up to date.

- Father Kopp
